

Print & Play Instructions

The art for this game is only 25% completed, so a lot of the cards have temporary placeholder clip art. The art on these cards will be updated after the Kickstarter is funded.

We recommend that use that gold-standard proxy sleeving method when playing: Place each *Titans Of Eden* card in a standard-sized card sleeve (preferably non-clear) with a standard-sized playing card (e.g. a poker or *Magic: The Gathering* card) also in the sleeve.

Be sure to check out both the *Learn-to-Play Rulebook* and the *Comprehensive Rulebook* for instructions on how to play. You can also check out the online demo at TitansOfEden.com/online
